RE: School Code 21939757

On October 11, 2009, Governor Schwarzenegger signed Assembly Bill (AB) 48 (Portantino, Chapter 310, Statutes of 2009.) AB 48 is known as the Private Postsecondary Education Act of 2009 ("Act"). The Act establishes the Bureau for Private Postsecondary Education ("Bureau") within the Department of Consumer Affairs. The Act became operative on January 1, 2010. The text of the Act is available online at www.bppe.ca.gov.

Our records indicate your institution had a valid approval to operate on June 30, 2007 issued by the former Bureau for Private Postsecondary and Vocational Education. Section 94802(a) of the Act provides that your approval to operate shall be valid for three calendar years after the expiration date of the approval, as it read on June 30, 2007. Therefore, your approval to operate is valid through February 1, 2015. Please use this document and the enclosed program list as official notice of your approval to operate, effective January 1, 2010.

The Act requires the Bureau to maintain a directory of institutions on its web site (section 94878.) In order to ensure that the Bureau has the most current information regarding this institution, we are requesting that you complete the enclosed School Information Form and return it to the Bureau for Private Postsecondary Education by February 1, 2010.
