Professional Experience

Vice Mayor, City of San Gabriel, 2009-Present
Responsible for establishing laws and policies in the conduct of City business.

COMMITTEES, COMMISSIONS AND ORGANIZATIONS

West San Gabriel Valley Air Quality Management District
The overall goal of this element is for the City of San Gabriel, as a city within a four-county air basin, to assist other governmental agencies in the attainment of healthful air for San Gabriel and other air basin residents, including those sensitive to air pollution.

San Gabriel Valley Economic Partnership
-A nonprofit corporation representing both public and private sectors, the Partnership is the exclusive source for San Gabriel Valley-specific information, expertise, consulting, products, services, and events. It is the single organization in the Valley with the mission to sustain and build the regional economy for the mutual benefit of all thirty-one (31) cities, chambers of commerce, academic institutions, businesses and residents.

Metropolitan Transportation Authority
Los Angeles County Metropolitan Transportation Authority (Metro) is unique among the nation's transportation agencies. It serves as transportation planner and coordinator, designer, builder and operator for one of the country's largest, most populous counties. More than 9.6 million people - nearly one-third of California's residents - live, work, and play within its 1433 square mile service area.

710 Freeway Liaison
Representing the City of San Gabriel and its position on much needed completion of the 710 freeway.

San Gabriel Valley YMCA : Executive Board Member
Support of the Y's mission, programs and services across the U.S. and around the world. we are committed to giving young people the resources to reach their potential, providing individuals with the access and support to lead healthy lives and connecting neighbors so they can come together for the common good.
